

Hanover County
Community Resources

Youth can do a lot! Check out the listings for your own age. If you have any questions, you can call the Community Resources Department or any of the places listed. We would be happy to help you.

Remember:

- In addition to the opportunities listed, any of the organizations on this list would be happy to work with **groups of any age that are interested in conducting 3rd party fundraisers or "item" collections to support their services.**
- If you are under age 10, you will probably need to volunteer with a group or ask a parent or grandparent to volunteer with you.

Any Age
